"YOU TOLD ME THE TRUTH AND I WANT THE PEOPLE TO KNOW IT"

The following unsolicited letter has been received from Mr. J. F. Ward of Donald, Alberta. It is a plain statement of conditions as Mr. Ward has found them:

A Settler's Plain Letter.

"It is with pleasure I drop a line to you. We had a good year. Off of 65 acres, oats and wheat, I got over 2,500 bushels of wheat and oats. Oats went here from 50 to 100 bushels per acre, and wheat from 25 to 52 per acre. Just see me being here one year and have over 700 bushels of wheat. It is now over \$1.00 per bushel. Oats is 42 cents, and going up. You told me the truth, and I want the people of Toledo to know it. Hogs are 8 1/2 cents; cattle are high. Canada is good enough for me. I have 5 good horses. I sold 2 good colts, 2 cows and 18 head of hogs and killed 2. I have 6 hogs left. I got 400 bushels of potatoes off an acre and a good garden last summer, fine celery and good onions. One neighbor had over 1,200 bushels of wheat, and sold over \$700 of hogs and 2,000 bushels of oats. This is a great country. If you should tell the people of Toledo of this it would get some of them thinking. The soil is a rich black loam, and a pleasure to work it.

"We have a good farm. We have a flowing well with soft water. It is the best water in the country. Some people think they got to go to war when they come out here. They need not be afraid of war. There is no war tax on land; only school tax, \$12.00 on 160 acres, and road tax of two days with your team. I tell you the truth, there is no land in or around Toledo as good as our land here in Alberta. If anybody wants to write us, give them our address.

"We have had nice weather. We have had it quite cold for one week, but no rain and sleet, and the sun shines nearly every day, and it is hot in the sun. Coal is \$2.25 per ton. The people are very nice and good here. We are well enjoying the West. The horses and cows are feeding on the prairies all the winter. We just have two horses in the stable to go to town with. Yours truly, (Sgd.) J. F. WARD, Donald, Alberta, Feb. 9, 1916."

Statement of S. W. Schweitzer, Wisconsin.

"I was born in Wisconsin, but moved with my parents when a boy to Stephen Co., Iowa. I was there farming for 50 years. I sold my land there for over \$200 an acre. I moved to Saskatchewan, and located near Brercrest in the spring of 1912. I bought a half section of land. I have good neighbors. I feel quite at home here the same as in Iowa. We have perfect safety and no trouble in living up to the laws in force. My taxes are about \$65 a year on the half section for everything. I have had splendid crops. Wheat in 1915 yielded me over 50 bushels to the acre. That is more than I have ever had in Iowa, and yet the land there costs four times as much as it does here. The man who comes here now and buys land at \$50 an acre or less gets a bargain. (Sgd.) S. W. Schweitzer, February 9th, 1916."

Envy is an acknowledgment of the good fortune of others.

AN APPRECIATIVE LETTER.

Mr. M. A. Page, Osceola, Wis., under date of Feb. 16, 1916, writes: Some years ago I was troubled with my kidneys and was advised to try Dodd's Kidney Pills.

It is now three years since I finished taking these Pills and I have had no trouble with my kidneys since. I was pretty bad for ten or twelve years prior to taking your treatment, and will say that I have been in good health since and able to do considerable work at the advanced age of seventy-two. I am glad you induced me to continue their use at the time, as I am cured.

Hot Water Each Morning Puts Roses in Your Cheeks

To look one's best and feel one's best is to enjoy an inside bath each morning to flush from the system the previous day's waste, sour fermentations and poisonous toxins before it is absorbed into the blood. Just as coal, when it burns, leaves behind a certain amount of incombustible material in the form of ashes, so the food and drink taken each day leave in the alimentary organs a certain amount of indigestible material, which if not eliminated, form toxins and poisons which are then sucked into the blood through the very ducts which are intended to suck in only nourishment to sustain the body.

If you want to see the glow of healthy bloom in your cheeks, to see your skin get clearer and clearer, you are told to drink every morning upon arising, a glass of hot water with a teaspoonful of limestone phosphate in it, which is a harmless means of washing the waste material and toxins from the stomach, liver, kidneys and bowels, thus cleansing, sweetening and purifying the entire alimentary tract.

before putting more food into the stomach.

Girls and women with sallow skins, liver spots, pimples or pallid complexions, also those who wake up with a coated tongue, bad taste, nasty breath, others who are bothered with headaches, bilious spells, acid stomach or constipation should begin this phosphate hot water drinking and are assured of very pronounced results in one or two weeks.

A quarter pound of limestone phosphate costs very little at the drug store but is sufficient to demonstrate that just as soap and hot water cleanses, purifies and freshens the skin on the outside, so hot water and limestone phosphate act on the inside organs. We must always consider that internal sanitation is vastly more important than outside cleanliness, because the skin pores do not absorb impurities into the blood, while the bowel pores do.

Women who desire to enhance the beauty of their complexion should just try this for a week and notice results.

BACKACHE AND KIDNEYS

Dear Mr. Editor:

For the benefit of others, I gladly give this statement regarding the merits of "Anuric." Am nearly 76 years of age. I suffered from backache, weak back, rheumatism, and could not control the excretion of the kidneys. I can safely say that "Anuric," the new discovery of Dr. Pierce, of Invalids' Hotel, Buffalo, N. Y., has done me more real good than anything I have ever taken for these ailments. Signed—Mrs. N. M. Flint.

NOTE:—A new remedy, called "Anuric," has been discovered by Dr. Pierce. It cures backache, headache and the darting pains and aches of rheumatism, kidney and bladder troubles. This "Anuric" is 87 times more potent than lithia, and dissolves uric acid, as hot water does sugar.

IN THE SPRING

Now is the time to bring to your aid Dr. Pierce's Golden Medical Discovery (in tablet or liquid form). This wonderful remedy helps to restore stomach to its natural health and strength and to secure proper flow of the digestive juices, a good appetite and full digestion of the food you eat. It invigorates the liver, regulates the bowels and purifies and enriches the blood.

Dr. Pierce's Golden Medical Discovery is absolutely free from alcohol and injurious drugs. Its ingredients printed on wrapper. You can be certain it is a true blood-maker, tissue-builder, and a restorative nerve tonic and that it will produce no evil after-effect. Thousands—probably many of your neighbors—are willing to recommend "Golden Medical Discovery" because it has made them stronger in body, brain and nerve.
